ELECTRONIC POSTMARK - CERTIFICATION OF ELECTRONIC FILING

TAXPAYER: Paul M Devino, Jr
PRIMARY SSN: 009-52-1662

FEDERAL RETURN SUBMITTED: March 14, 2011 12:52 PM PDT
FEDERAL RETURN ACCEPTANCE DATE:

Your return was electronically transmitted on 03/14/2011

The Intuit Electronic Postmark shows the date and time Intuit received your federal tax return. The Intuit Electronic Postmark documents the filing date of your income tax return, and the electronic postmark information should be kept on file with your tax return and other tax-related documentation.

There are two important aspects of the Intuit Electronic Postmark:

1. THE INTUIT ELECTRONIC POSTMARK.
The electronic postmark shows the date and time Intuit received the federal return, and is deemed the filing date if the date of the electronic postmark is on or before the date prescribed for filing of the federal individual income tax return.

TIMELY FILING:
For your federal return to be considered filed on time, your return must be postmarked on or before midnight April 18, 2011. Intuit’s electronic postmark is issued in the Pacific Time (PT) zone. If you are not filing in the PT zone, you will need to add or subtract hours from the Intuit Electronic Postmark time to determine your local postmark time. For example, if you are filing in the Eastern Time (ET) zone and you electronically file your return at 9 AM on April 18, 2011, your Intuit electronic postmark will indicate April 18, 2011, 6 AM. If your federal tax return is rejected, the IRS still considers it filed on time if the electronic postmark is on or before April 18, 2011, and a corrected return is submitted and accepted before April 22, 2011. If your return is submitted after April 22, 2011, a new time stamp is issued to reflect that your return was submitted after the IRS deadline and, consequently, is no longer considered to have been filed on time.

If you request an automatic six-month extension, your return must be electronically postmarked by midnight October 15, 2011. If your federal tax return is rejected, the IRS will still consider it filed on time if the electronic postmark is on or before October 15, 2011, and the corrected return is submitted and accepted by October 20, 2011.

2. THE ACCEPTANCE DATE.
Once the IRS accepts the electronically filed return, the acceptance date will be provided by the Intuit Electronic Filing Center. This date is proof that the IRS accepted the electronically filed return.
